Join us for this exciting day trip to the Berkshires! Our day begins with guided tours of the recently expanded Sterling & Francine Clark Art Institute. Opened to the public in 1955, the collection features European and American paintings, sculpture, prints, drawings, photographs, and decorative arts from the Renaissance to the early twentieth century. The collection is especially rich in French Impressionist and Academic paintings, British oil sketches, drawings, and silver, and the work of American artists Winslow Homer, George Inness, and John Singer Sargent. After the tours, enjoy lunch on your own in the café, view special exhibitions or stroll the 140 acre campus. The day continues at the Williams College Museum of Art (just a five minute drive from The Clark), with a guided tour of their collections and special exhibition: *Material Friction: Americana and American Art*. The bus departs at 3:45pm for CT. **Reservations are required:** please contact the Education Department at 860-443-2545 x110 or email clarke@lymanallyn.org.
